

2006MY

**Vehicle Line: CROWN VICTORIA
Marketing Strategy and Mix Recommendations**

Marketing Strategy Key Points:

- Crown Victoria is an understated symbol of achievement for traditional large car-buyers who seek the features offered in American cars they knew growing up--smooth ride, room, comfort, V-8 power, and rear wheel drive. Crown Victoria's safety, size, and dependability provide customers with peace of mind, and the knowledge they made a smart decision
- Crown Victoria enhances the strong safety reputation it has built with the government's highest 5-Star crash rating for the driver and front passenger

Key Messages:

- Highlight the safety and convenience of the LX Premier Group (60L) – Returning LX buyers will want to order the LX Premier Group on the LX (200A) in order to maintain the level of equipment and features to which they have become accustomed. *Customers ordering Side Air Bags or Leather Seats on the LX (200A) must also order the LX Premier Group*
- Emphasize the importance of the optional All-Speed Traction Control System in cold weather states to maximize Crown Victoria's all-season capability, as well as its relevance in warm weather states when road conditions are slick
- Optional side air bags available on LX (when ordered with LX Premier Group) and LX Sport and Anti-Lock Braking System (ABS) on all arrays
- Power adjustable pedals further build on Crown Victoria's comfort, safety, and convenience heritage. The power adjustable pedals have proven to be extremely successful on other Ford Division vehicles and should be fully leveraged to surprise and delight Crown Victoria customers
- Simple, less complex offering including the Crown Victoria, LX and LX Sport that provides outstanding value and equipment at several price points

Recommended Mix*:

| | Crown Vic | LX | LX Sport |
|--|------------------|------------|-----------------|
| | 20% | 60% | 20% |
| Engine Type | | | |
| 4.6L 8-Cyl. Engine | 100% | 100% | 100% |
| Key Packages | | | |
| LX Premier Group | — | 65% | — |
| Handling and Performance Pkg. | — | 40% | 100% |
| Key Options | | | |
| Side Impact Air Bags | — | 40% | 45% |
| Electronic Instrumentation | — | 25% | — |
| Leather Seating Surfaces | — | 65% | 100% |
| Traction Control | 40% | 40% | 40% |
| Power Adjustable Accelerator and Brake | 30% | 30% | 30% |
| Dual Media | 50% | 70% | 100% |
| 6-Disc CD Changer | — | 30% | 50% |

* Rates above represent full model year retail projections
